

FOUNTAIN OF PEACE

children's foundation UK

Share His gift of love this Christmas!

Dear Friends,

We are so grateful for your support over the past year. Since January 2024, we have welcomed **10 new babies** into the Fountain of Peace family in Kyenjojo, western Uganda.

With these new little ones, there are now **85 beautiful children** in our care.

Whether orphaned by the effects of poverty, or abandoned by families whose hope just ran out, their stories often break our hearts, as we know they do yours.

Yet we give thanks and praise to God for blessing them into our family.

They are God's children. He knows and deeply loves each of them, and His plans for them are good. As we seek His wisdom in nurturing these precious new lives, your support remains vital.

Could you make a special gift this Christmas?

As the only registered children's home in the region, our services are in very high demand.

Sadly, too often we receive calls from local hospitals, the police and other authorities who have found vulnerable children in desperate need of care.

We never want to deny any child the opportunity of a loving, stable home with us.

But the reality is, our costs increase by around £3,000 per year for each new baby we take in.

Could you make a gift to help us cover these extra costs next year?

Your gift will be used by our wonderful team in Uganda to give these children, who have had tragic starts, the forever home and loving environment that they need to thrive.

Thank you so much for your faithful generosity!

Peace and the team x

- £150 helps cover the cost of rescuing a child, including admin, legal and staff expenses.
- £75 helps cover newborn healthcare, such as vaccinations and check-ups.
- £15 helps cover additional welfare needs, such as toys and clothing.

Ways to Give

- **Online:** Head to fountainofpeace.net, where you can give by credit/debit card, JustGiving, Stewardship, and PayPal.

**All donations will be used wisely to support the work of the Fountain of Peace Children's Foundation in caring for orphaned and abandoned children in western Uganda.*
